## LORRIE HARDY

March, 2020

This Month we are spotlighting one of our newer residents, Lorrie Hardy. Lorrie has been a resident here at Golden Living for only a short time, but many of us have already and not surprisingly befriended her. Lorrie has an outgoing, friendly personality and a positive outlook on life.

Lorrie was born and raised in Salt Lake City, Utah. She grew up with her 4 sisters being the second youngest daughter to her mother, Ella Virginia, who was a home maker and her father, Eugene, who worked for Pacific Union Railroad.

Lorrie has always been a dedicated and a hardworking person. As a young woman she began working at Deseret Industries thrift store

located in downtown Salt Lake City, from where she has retired after her 35-year career.

During her career, Lorrie made many friends and has become a valuable employee. Upon her retirement, her coworkers organized a celebration to show appreciation for Lorrie's hard work and dedication as well as presented Lorrie with an honorary plaque.

Lorrie is a person with a lot of determination. Despite some challenges that she has faced during her life, she perseveres in her desire to succeed.

As a young girl, Lorrie grew to enjoy and appreciate sports. She began training as a runner and hurdler, and as a young woman participated in special Olympics. Lorrie has received several Olympic medals and recognitions.

Even after retirement, her love for sports didn't fade. She enjoys watching sports on TV. She roots for her favorite basketball team: Utah Jazz, and had never missed a single game.

Lorrie loves her family very much. She often speaks about her family with pride.

She has many talents, including, singing and dancing. Lorrie has been a regular participant in talent shows hosted by organizations she belongs to.

Lorrie loves dogs. Her greatest joy is Harvie: a 4-year-old miniature shiatzu, whom Lorrie raised from a puppy.

Thank you Lorrie for being a part of our community. We are honored to have you here at Golden Living.
