Every 2nd Tuesday of the Month All Golden Living activities are subjects to change.	<p><i>This month we had a meeting with our local ombudsman discussing assigned seating in the dining room. We were instructed that Golden Living cannot make assigned seating for the residents. Please remember that Golden Living Community wants everyone to be treated fair, that being said, we no longer have assigned seating in the dining room. Residents may sit wherever and with whomever they wish during our meal times. The residents still may ask to be seated as a group of friends when and where there is an availability .</i></p>			 <p>September</p> <table border="1"> <tr><td></td><td>1</td><td>2</td><td></td><td></td><td></td><td></td></tr> <tr><td>3</td><td>4</td><td>5</td><td>6</td><td>7</td><td>8</td><td>9</td></tr> <tr><td>10</td><td>11</td><td>12</td><td>13</td><td>14</td><td>15</td><td>16</td></tr> <tr><td>17</td><td>18</td><td>19</td><td>20</td><td>21</td><td>22</td><td>23</td></tr> <tr><td>24</td><td>25</td><td>26</td><td>27</td><td>28</td><td>29</td><td>30</td></tr> </table>			1	2					3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30

This month I had the privilege to spend some time and to get to know one of our residents Lee Hobbs.

Lee was born and raised in Salt Lake City, Utah. He grew up in a big family being the oldest of 8 children.

His mother, Gwen, successfully managed a local bar; his father, Louis, worked as an airplane mechanic, first for the Navy and later for a private company.

Being the oldest child in a big family, Lee had to learn to stand up for himself at an early age. He learned not be intimidated by others.

Lee has always been an active, energetic and a determined person. At the age sixteen, he left home to start his life on his own. He recalls having 3 different jobs at the same time: part time dishwasher, roofer and a taxi driver.

When Lee turned eighteen, he joined the military and spend two years in service. First in Florida and later 2 tours in

Vietnam.

His lack of intimidation by others gained Lee respect and popularity even among some people of Vietnam.

He has also always been a social person. He enjoyed meeting new people and spending time relaxing at a club.

Upon his return from Vietnam, Lee met his wife and the love of his life, Jo-Ann, at one of the clubs he enjoyed visiting.

He still remembers this day.

“I looked in the mirror,” Lee says, “and there, standing behind me, I saw an angel.”

Lee and Jo-Ann dated for 5 year and were married in Las Vegas.

“I am a lucky guy to have had her in my life,” Lee says. “She has been gone for some time now, but I feel her around me all the time. She is always with me, just as she promised she would.”

Lee is an intelligent man who likes to read. He also stays active as much as possible. Lee often joins us on Golden Living outings. One of the few of his favorite things to do is Bowling.

He is a kind man. Although Lee is not a man of many words, he has many interesting life stories to share with others.

We are privileged to have Lee as a part of our big Golden Living family. Thank you, Lee, for letting me get to know you and for sharing your story.

All outings, are highlighted in italic Please be sure to sign up at the front desk no later than 4:30 p.m. the day before the outing. All walkers need to be emptied and ready to be folded prior to getting on the bus.
